CHILDREN'S SUMMER ART PROGRAM 2019

FIREHOUSE ART CENTER CHILDREN'S ART EDUCATION

The Children's Summer Art Program is designed to educate and inspire children to be expressive by providing an environment where creativity is fostered and embraced. The FAC's *Creating with the Masters* curriculum introduces children to the works of master and modern artists and teaches them about the history of art, museums, and art techniques while meeting the *Oklahoma Academic Standards for Fine Arts: Visual Arts* guidelines. The Children's Summer Art Program is funded in part by the Oklahoma Arts Council, Norman Arts Council, and the City of Norman.

Art is Golden

Kings, queens, princes, and princesses: don your golden crowns! In this class, students will gain creative confidence fit for a royal. Students will draw, paint, and sculpt while studying the golden works of artists Gustav Klimt and Carlos Betancourt, focusing on the elements of line, shape, color, and form.

Instructor: Jane Lawson

7 - 9 years old // 9:30 - 11:45 AM

Pure Imagination

Travel to a paradise of pure imagination and create vivid images using geometric forms! Students will be inspired by the colorful paintings of Hilma af Klint and Wassily Kandinsky and the eccentric sculptures of Noemí Escandell. This class will explore how color, shape, and form can evoke emotion and visual excitement.

Instructor: Kylie Anderson

10 - 14 years old // 9:30 - 11:45 AM

Chinese Brushwork Painting: Dragons & Tigers

In many Asian cultures, the dragon and tiger are often depicted together in paintings as symbols of strength, courage, protection, and good luck. In this class, students will learn to paint compositions including dragons and tigers using ink and watercolor on rice paper as they study this traditional art form.

Instructor: Beverly Herndon

SESSION II (TWO WEEK) | JUNE 10 - JUNE 21

NON-MEMBER TUITION: \$190 | MEMBER TUITION: \$173 | 20 HOURS OF EDUCATION

5 - 6 years old // 9:30 - 11:45 AM

Highways & Byways

Let's go on a road trip! Go on an exciting artistic journey through the genres of art and experiment with multiple techniques. Students will find inspiration from artists Paul Klee, David Hockney, and Pablo Picasso on their sojourn through Abstract Expressionism, Cubism, Impressionism, and more. Students will learn about color theory, perspective, and mixed media.

Instructor: Jane Lawson

7 - 9 years old // 9:30 - 11:45 AM

Let's Explore: Experimental Drawing

Drawing does not always require pencil and paper. This class will inspire creative thinking through the exploration of non-traditional methods, materials, and surfaces for drawing. With the inspiration of master artists Matthew Ritchie and Max Ernst, students will invent new drawing processes, experiment with found materials, and create sculptural drawings.

Instructor: Haley Prestifilippo

10 - 14 years old // 9:30 - 11:45 AM

The Framed Sculpture

From concept to execution, students will develop and hone their creative process as they create 2D and 3D works and a narrative storyline. Drawing inspiration from artists Alexander Calder and Joan Miró, students will utilize balance, form, and color as they draw their concept, create comic splash pages of their story, and construct a papier mâché sculpture.

Instructor: Nick Lillard

SESSION III (ONE WEEK) | JUNE 24 - JUNE 28

NON-MEMBER TUITION: \$95 | MEMBER TUITION: \$86 | 10 HOURS OF EDUCATION

5 - 6 years old // 9:30 - 11:45 AM

Food Frenzy

Lip smacking art that makes you go "Yum!" Students will study artists who have used appetizing food both to create art and as inspiration for their work. We will paint with chocolate like Vik Muniz, make clay sculptures like Claes Oldenburg, make food collage masks like Giuseppe Arcimboldo, and create paintings of desserts in the colorful style of Wayne Thiebaud.

Instructor: Haley Prestifilippo

7 - 9 years old // 9:30 - 11:45 AM

Chinese Brushwork Painting: Baby Animals

Animals symbolize strength, courage, loyalty, and even mischief in many Asian cultures. In this class, students will study traditional Chinese Brushwork painting techniques as they create compositions of baby animals. Using ink and watercolor on rice paper, students will learn to paint kittens, puppies, bunnies, piglets, and other baby animals.

Instructor: Beverly Herndon

10 - 14 years old // 9:30 - 11:45 AM

Nuts & Bolts

Students will study the elements of art as the essentials to understanding various mediums using a classic approach: the still life. We will explore drawing, painting, sculpting with clay and foil, and more, as we experiment and play with set ups, processes, and perspectives. Students will use the knowledge gained to treat still life studies as a point of departure for their own artistic, expressive works.

Instructor: Olivia Egan

NON-MEMBER TUITION: \$190 | MEMBER TUITION: \$173 | 20 HOURS OF EDUCATION

5 - 6 years old // 9:30 - 11:45 AM

Harbor Happenings

Find artistic refuge in the harbor and dive under the waves to learn about and create art inspired by marine life and mariners! Students will draw, paint, collage, and make sculptures that include a variety of textures, techniques, and patterns, finding aquatic inspiration from artists Pablo Picasso, Katsushika Hokusai, Georgia O'Keeffe, and Eugene Delacroix.

Instructor: Jane Lawson

7 - 9 years old // 9:30 - 11:45 AM

Back to Basics

Get back to basics! Students will explore a variety of approaches to making art as they move from the simple to the complex, from drawing and painting to sculpting with multiple mediums. Keeping creativity and expression at the forefront, students will work with clay, foil, and papier mâché as they study master works by Vincent Van Gogh and Paul Cézanne.

Instructor: Olivia Egan

10 - 14 years old // 9:30 - 11:45 AM

The Creative Spark

Go with the flow, and find your creative spark! In this class, students will study master artists Michelangelo Buonarroti and Alexander Calder and develop their personal creative process as they craft mixed media sculptures using clay and papier mâché. The resulting detailed and striking pieces will display the elements of shape, form, and color.

Instructor: Nick Lillard

SESSION V (TWO WEEK) | JULY 22 - AUGUST 2

NON-MEMBER TUITION: \$190 | MEMBER TUITION: \$173 | 20 HOURS OF EDUCATION

5 - 6 years old // 9:30 - 11:45 AM

Animal House

Giddy up and join us at the farm! Students will study works about animals by master artists from Pablo Picasso to Andy Warhol and Georgia O'Keeffe. They will draw, paint, sculpt, and collage works that include cows, sheep, and horses, starting with traditional styles and progressing to more modern and abstract techniques that balance line and shape with texture and color.

Instructor: Jane Lawson

7 - 9 years old // 9:30 - 11:45 AM

Around We Go

Travel around the world discovering how circles have inspired art in different cultures. Students will focus on shape, pattern, rhythm, and balance while creating 2D and 3D works of art inspired by M.C. Escher, Alma Thomas, and Wassily Kandinsky. Students will experiment with techniques such as printmaking, painting, mixed media, weaving, and more!

Instructor: Tristica Stanley
